Dear Judge Daniels:

We are attorneys for Plaintiffs in the captioned action.

In light of certain of the Defendants' pending motions to stay, transfer and/or dismiss this action and fact that Plaintiffs have still not been able to serve one of the Defendants in this matter, Thomas G. Karidas, we are requesting an adjournment of the November 8, 2007 conference before your Honor and suspension of the time for the parties to adopt the proposed Case Management Plan and Scheduling Order. We request that the Court hold in abeyance rescheduling pending the disposition of the pending motions and service upon the remaining Defendant within the requisite time period. We have discussed this request with counsel for the Defendants that have appeared, who has consented to the request.

Thank you for your attention to this request and we ask that you contact us with any questions you might have.

Very truly yours,
